Attachment to June 14, 1996 Disposal Suspension Notice

ATTACHMENT A

All records described below, for the period 1964 to present, are covered by this disposal suspension notice:

1. Records containing information necessary to compile a list of (i) all present and former Philip Morris Incorporated Chief Executive, Chief Financial and Chief Operating Officers and any persons who reported directly to them, including executive assistants and/or secretaries, and (ii) directors. As to these individuals, include documents which list any other industry-affiliated positions held and the duration of such positions, including home and business addresses.

2. Records containing information necessary to compile a list (including title, home address, telephone number and periods of employment) of all present and former employees (including support staff, temporary employees and outside contractors) of the Research and Development; Legal; and Public Relations Departments of Philip Morris Incorporated.

3. Records reflecting Philip Morris Incorporated's organizational structure, including directors, officers, staff and committees/divisions/units.

4. Records containing information needed to compile a list of all transfer agents for Philip Morris Incorporated and Philip Morris Companies, Inc.

5. Records relating to, referring to, or reflecting stockholdings in Philip Morris Incorporated or Philip Morris Companies, Inc. by any person whose name is provided in response to paragraph 1 or 2 above.

Code: 1996 - 006 - 002 - L
